Lakefront Home

Imagine coming home to a relaxing lakefront home. Entering the home, the first thing you notice is the breathtaking views of the lake. Large windows run along the back of the home, giving you great views from every room.

Step out into the large great room. This main area is open to the kitchen, dining, and living areas. The kitchen is large enough for a few cooks to work together for a large meal.

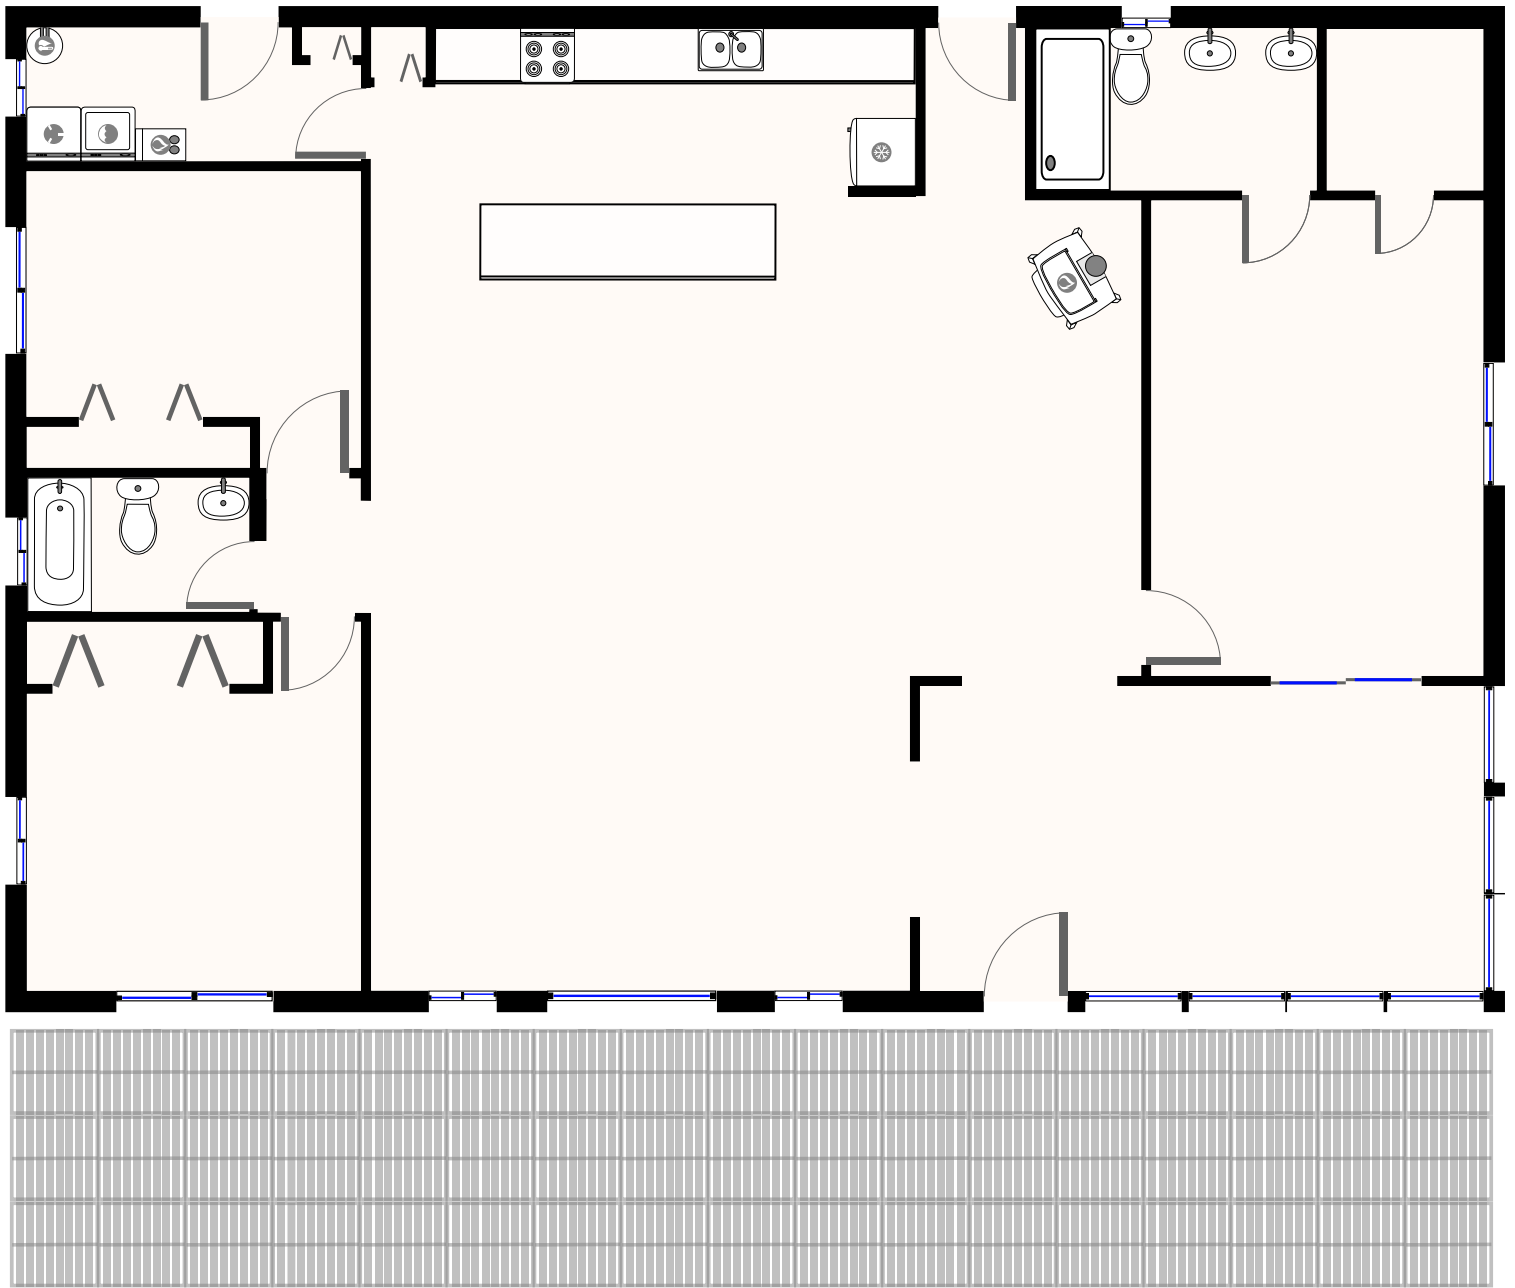

The master suite is a nice place to enjoy some privacy. There is a big closet and generous master bathroom. There's even two shower heads in the shower and his and hers sinks. The guest bedrooms are on the opposite side of the home, sharing a hallway and guest bathroom.

The 1.5 acre lot is a rectangle, giving you plenty of room both in front and behind the home. Little Orange Lake is large enough for you to sail, kayak, or just have a refreshing swim on a hot summer day.
