This home is located in one of the most prestigious gated communities in Gainesville, Savanna Pointe. Views from this home are breathtaking any time of day.

The home is built in the craftsman style, and is filled with natural materials that give the whole space a warmth uncommon in modern homes. It has a welcoming entrance with an inviting pergola and brickwork. Inside the front door you have a beautiful foyer with a coat closet and oak stairs opening into a large living space.

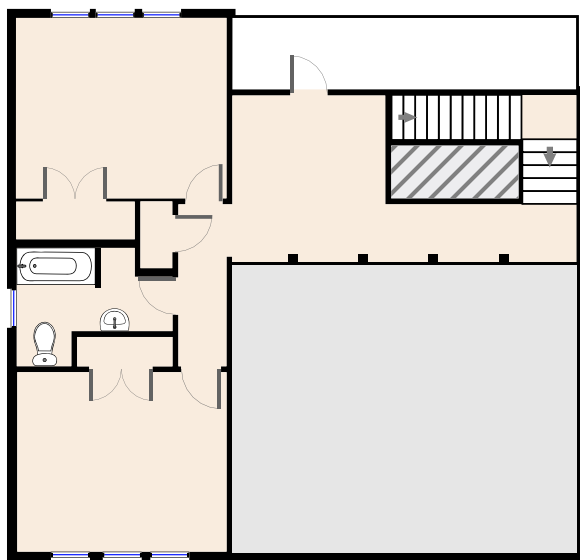

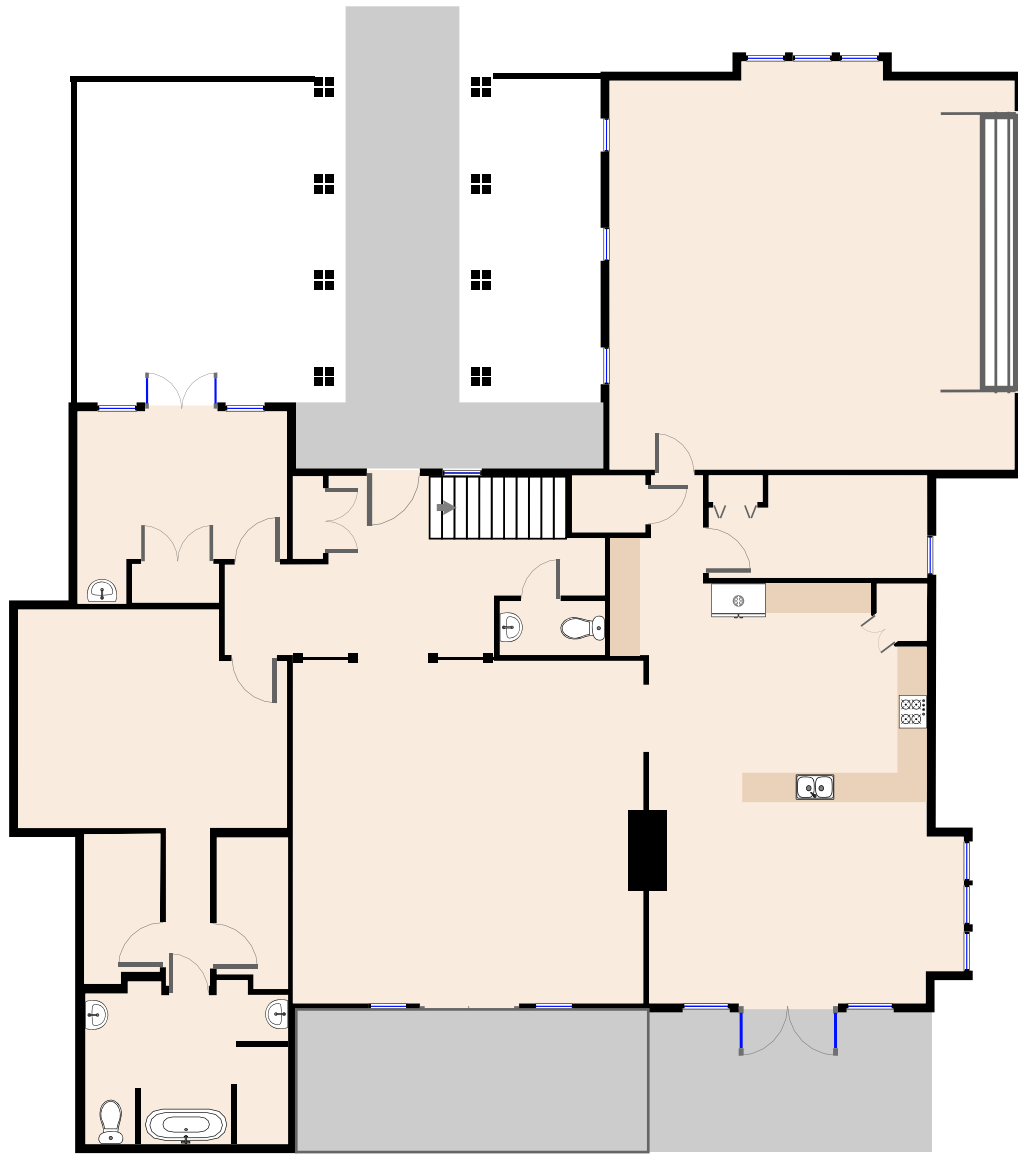

The tall living room ceiling is finished with cypress and is very warm and inviting. Gorgeous durable white oak hard wood floors throughout the home. The kitchen has all the upgrades you could want, including granite, beautiful cabinets, butcher block island, and a gas cook top.

Join the Gainesville Country Club next door so you can squeeze in a round of golf before or after work.
