Plantation Villas at Haile Plantation

Spend your time doing the things you love, instead of worrying about yard work.

This extremely clean and comfortable 2 bed 2 bath town home is move-in ready and waiting for your personal touches.

The open kitchen has wood cabinets, granite counters, and travertine floors. The open floor plan, skylight, and large glass doors give the home a spacious feeling.

There is one bedroom and a full bath downstairs, and a master suite with walk-in closet upstairs.

The town home is ideally located. Walk or bike to The Village Center shops, or join the Haile Country Club and enjoy the game of golf, or just relax by the community pool. The drive to UF or Shands is short.

This is a PUD community, so financing is easy. Ask us about how to move in with only 3.5% down.
