## Northwood Pines Home for Sale

Come see this beautiful home! Extensive updates in 2008 and 2009 make this a great starter home with nothing to do but hang your photos. The home makeover included all new lighting fixtures and mirrors, new carpet, 6 panel doors, faux wood blinds, and perimeter wood fencing.

You will love the open floor plan. The foyer has an extra large closet. The spacious bright living room is open to the kitchen and dining room.

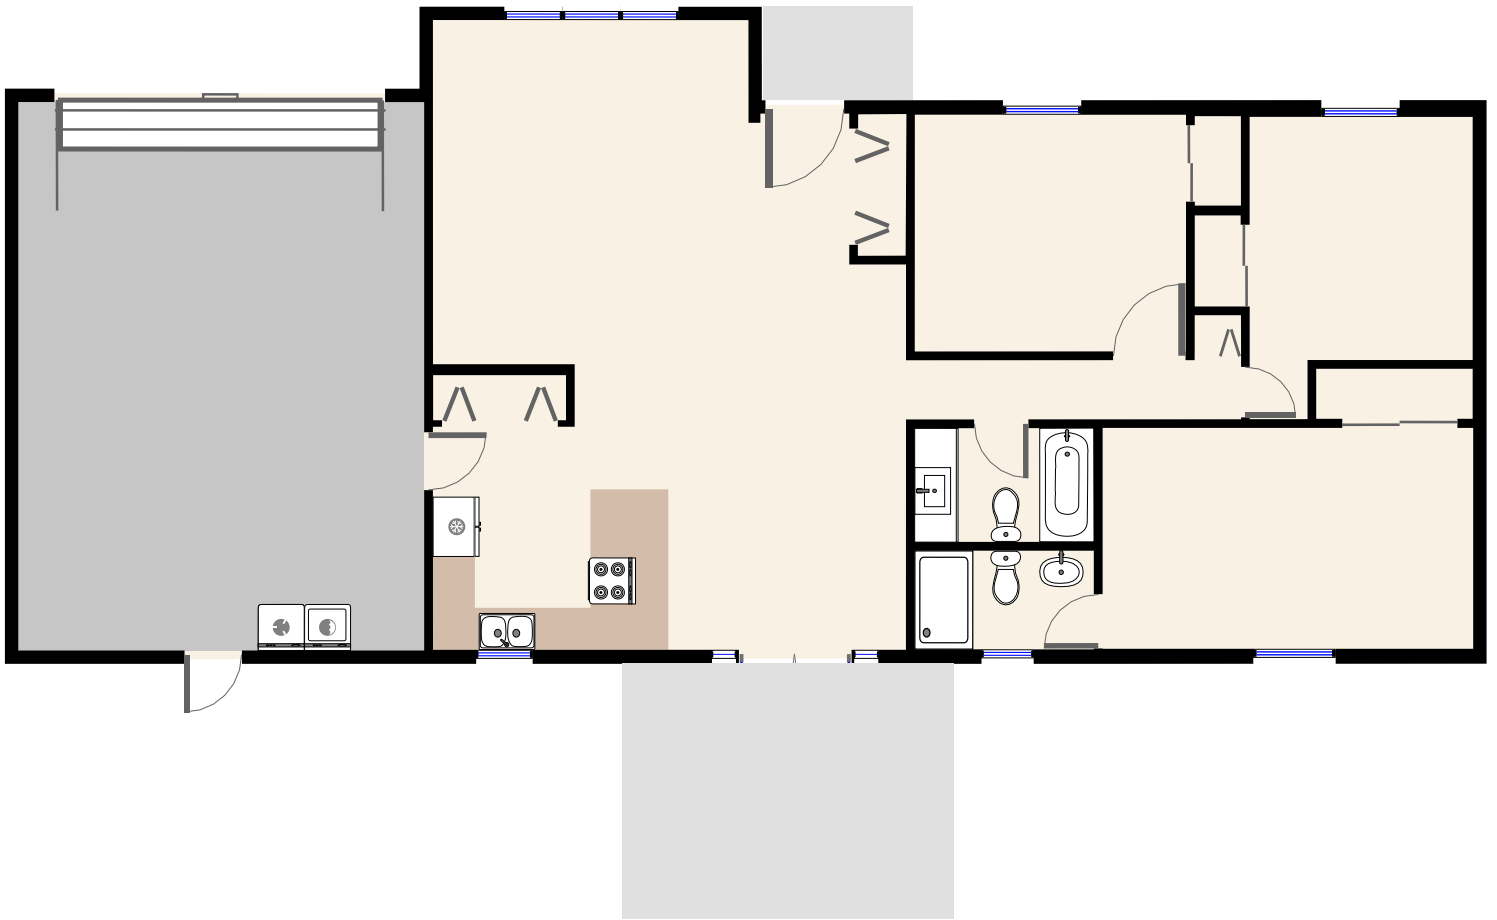

The main floor is Brazilian cherry engineered hardwood with carpet in bedrooms and tile in the baths.

The dining room has insulated French doors letting in lots of light. The kitchen has modern tiled counter tops and backsplash, new dishwasher, range and disposal in 2008. The lighted pantry gives you that added storage you need.
